

AMINOGRAM

Aspartic acid, glutamic acid, alanine, arginine, cysteine, citrulline, phenylalanine, glycine, histidine, isoleucine, leucine, lysine, methionine, proline, threonine, serine, tyrosine, tryptophan and valine.

FEATURES

ACM-Ful Extra is a root bionutrient with fast assimilation from vegetal origin. Due to its composition it enriches soil in organic matter, encouraging beneficial microbial activity of itself increasing the water holding capacity and aeration of the soil and therefore improving soil fertility conditions. It is recommended to avoid stress situations throughout the growing cycle.

Product for using in organic farming under Regulation (EC) No 834/2007: Certificate No. CM260PAE07.11 by Sohiscert.

DOSAGE AND APPLICATIONS

It is recommended for all kind of crops and especially in deficient in organic matter's soils.

FRUIT AND CITRUS

Dosage:

Irrigation. 7-12 l/Ha and irrigation. 3-5 applications in spring time.

VEGETABLES, POTATOES AND STRAWBERRIES

Dosage:

Irrigation. 7-12 l/Ha and irrigation. 3 applications from transplanting to first fruits.

OLIVE

Dosage:

Foliar. 200 – 300 cc/Hl and application.
Irrigation. 12 l/Ha and application.

2 - 3 applications in spring and 1 in autumn.

BANANAS AND SUBTROPICAL

Dosage:

Irrigation. 10-12 liters / Ha. 3 - 5 applications during the cycle.

GUARANTEED RICHNESS in % w/w

Free Aminoacids: 4%
Total Nitrogen (N): 5%
Organic nitrogen: 2,7%
Potassium Oxide (K₂O): 5%

pH: 5,5
Density: 1,32 g/cm³
Color: Dark brown

RESIDUE ZERO

PRECAUTIONS

The recommendations and information that we provide, are the result of a wide and severe test. However in its use many factors out of our control may appear such as weather, preparation of broths, applications, etc. The company guarantees the composition, formulation and content. User will be liable for damage caused by lack of efficacy, toxicity, waste, etc. not to follow total or partial label instructions. Store it in a dry and protected from extreme temperatures (5 °C-35 °C) place. Keep out of reach of children. Stay away from food, drink and feed. In case of eyes and skin contact wash immediately with plenty of water.
