ACM-Citrus Plus

FERTILIZER WITH AMINO ACIDS

Group 4.1.02 ORDER AAA / 2564/2015, November 27th , amending annexes I, II, III, IV and VI to R. D. 506/2013, June 28th, on fertilizers

AMINOGRAMA

Aspartic acid, glutamic acid (78%), alanine, arginine, cysteine, phenylalanine, glycine, histidine, isoleucine, leucine, lysine, methionine, proline, threonine, serine, tyrosine, and valine.

FEATURES

ACM-Citrus Plus is recommended to prevent and correct deficiency states of manganese zinc and magnesium in all cultures especially citrus crops. **ACM-Citrus Plus** promotes protein production and photosynthesis, by activating the plant growth, high performance and harvest quality.

ACM-Citrus Plus may be used in all kinds of crops, but it is specially formulated to cover the needs of these micronutrients on citrus, particularly orange tree. It can be applied both foliar and irrigation way.

ACM-Citrus Plus should apply from sprouting and when crops show deficiency symptoms.

DOSE AND APPLICATIONS

FOLIAR

Dose:
200 - 400 cc/HL and spending 6 - 12 L/Ha.

DRIP IRRIGATION

Dose:
10 - 12 L/Ha distributed throughout crop cycle.

GUARANTEED RICHNESS in % w/w

Manganese (Mn) soluble in water: 4,5%
Complexed Manganese (Mn): > 2,25%
Zinc (Zn) soluble in water: 3,5%
Complexed Zinc (Zn): > 1,75%
Aminoacids: 6%
Complexed agent: Gluconic acid (AG)
Minerals anions: Sulfphates
pH (Complexed stability fraction range): 4 - 9
pH: 5
Density: 1,35 g/cm^3
Colour: Brown

RESIDUE ZERO

CAUTIONS

The recommendations and information that we provide are the result of a wide and severe test. However in its use many factors out of our control may appear such as weather, preparation of broths, applications, etc. The company guarantees the composition, formulation and content. **ACM-Citrus Plus** is compatible with the most fertilizers and pesticides commonly used. Do not mix with minerals oils, copper or alkaline products reaction. Used only if needed. Do not overdose. In case of doubt, perform a compatibility test. User shall be liable for damage caused by lack of efficacy, toxicity, waste, etc. not to follow label instructions. Store in a dry and protected from extreme temperatures (5 ° C-35 ° C) place. Keep out of reach of children. Stay away from food, drink and feed. In case of eyes and skin contact , wash immediately with plenty of water.
